Raised platform construction
Albion Street/Tyrone Street, South Yarra

About the project

The City of Stonnington is constructing a new flat-top platform with asphalt ramp at the intersection of Albion and Tyrone streets in South Yarra.

The works construction of a new flat-top platform, a new concrete culvert, profiling of the existing asphalt pavement and associated drainage works.

We recognise works of this nature will cause some inconvenience. Every effort will be made to keep disruption to a minimum and we thank you in advance for your patience and understanding.

Works

» Construct concrete footpaths
» Reinstate vehicle crossings for residential and commercial vehicles
» Construct new culvert
» Construct new flat-top platform with new asphalt ramps
» Associated road re-profiling and drainage works

Location

Albion Street/Tyrone Street, South Yarra

When

May to July 2024
7am to 5pm (Monday to Friday)

Resident

During working hours, the intersection of Albion and Tyrone street will be closed, and access disrupted. Traffic diversions and traffic management measures will be in place to ensure the safety of road users and pedestrians.

Parking

During construction on-street parking will be limited.

Motorists

During working hours, affected sections of the Albion Street/Tyrone Street intersection will be closed to traffic. Where possible, the road will be reinstated at the end of each day.

Pedestrians

Pedestrian access will be maintained at all times, with measures in place to direct pedestrians safely around the works zone.
