

# Road reconstruction

## Monomeath Avenue, Toorak

### About the project

In mid-2024, the City of Stonnington will commence road reconstruction works in Monomeath Avenue, Toorak - between Glenferrie Road and Power Avenue.

The construction contractor, ADP Constructions, will contact you closer to works commencing to confirm the start date.

These works support our ongoing commitment to managing and maintaining important community assets to a high standard and providing a safe and functional road and drainage network.

We recognise works of this nature will cause some inconvenience. Every effort will be made to keep disruption to a minimum and we thank you in advance for your patience and understanding.

### Works

- » Remove existing kerb and channel
- » Excavate road surface
- » Build new kerb and channel
- » Reconstruct road pavement
- » Drainage works as required
- » Site reinstatement

### Location

**Monomeath Avenue** (see map overleaf)

### When

**Mid- to late-2024**

### Parking

During construction on-street parking will be limited.

### Motorists

During working hours, affected sections of Monomeath Avenue will be closed to traffic. Where possible, the road will be reinstated at the end of each day.

### Pedestrians

Pedestrian access will be maintained at all times, with detours in place around the work zone.

### Resident

During working hours Monomeath Avenue will be closed and access to properties disrupted. Special purpose parking permits are available to residents where access to parking on their private property is affected.

To request a special purpose parking permit please email the Project Manager, Kush Patel at [kpatel@stonnington.vic.gov.au](mailto:kpatel@stonnington.vic.gov.au).

Special purpose parking permits provide the same exemptions as a resident parking permit. Households with sufficient resident parking permits need not apply.

Traffic management measures will be in place to ensure the safety and amenity of road users and pedestrians.
