

# Streetscape Improvement Works

## Stage 2A – Orrong Road from Robertson Street to Struan Street, Toorak: 16 June to mid-August 2021 (approximately eight weeks)

### About the project

The City of Stonnington is upgrading Orrong Road between Toorak Road and St Georges Road, Toorak. This is Stage 2 of the Orrong Road improvement program. Stage 1 (drainage reconstruction works) was completed in 2020. The project will be completed across five stages, with the final stage expected to be completed by December 2021. We recognise works of this nature will cause some inconvenience. Every effort will be made to keep disruption to a minimum and we thank you in advance for your patience and understanding.

### Works

- » Restore bluestone kerbs
- » Rejuvenate nature strips (including grass seeding where needed)
- » Reconstruct 4x roundabouts
- » Upgrade footpaths
- » Resurface road

### Residents

During working hours the road will be closed and access to properties disrupted. Temporary parking permits are available when works affect access to your property. To request a temporary permit please email **Project Manager, Travis Jenkins** [tjenkins@stonnington.vic.gov.au](mailto:tjenkins@stonnington.vic.gov.au)

### Parking

During construction, on-street parking will be limited.

### Contact

**Contractor:**  
CDN Constructors Pty Ltd  
Steven  
M: 0414 170 790

### City of Stonnington:

**Project Manager**  
Travis Jenkins  
M: 0419 835 646

**Project Engineer**  
Connor Curtin  
M: 0419 895 208

**Emergency**  
(out of hours)  
P: 8290 1333

### Location

Stage 2A  
**Robertson Street to Struan Street**  
(see map overleaf)

### Motorists

During working hours the affected section of Orrong Road will be closed to traffic and detours will be in place. Where possible, we will reinstate the road at the end of each day.

### When

**Wednesday, 16 June to  
mid-August 2021**  
7am to 4pm  
Monday to Friday

### Pedestrians

Pedestrian access will be maintained at all times.

### Roadworks and COVID-19

Under Victorian Government COVID-19 guidelines, civil construction projects are 'permitted works'. The works must follow a strict High Risk COVID-Safe plan. As the works are in the open air no other requirements are applied.

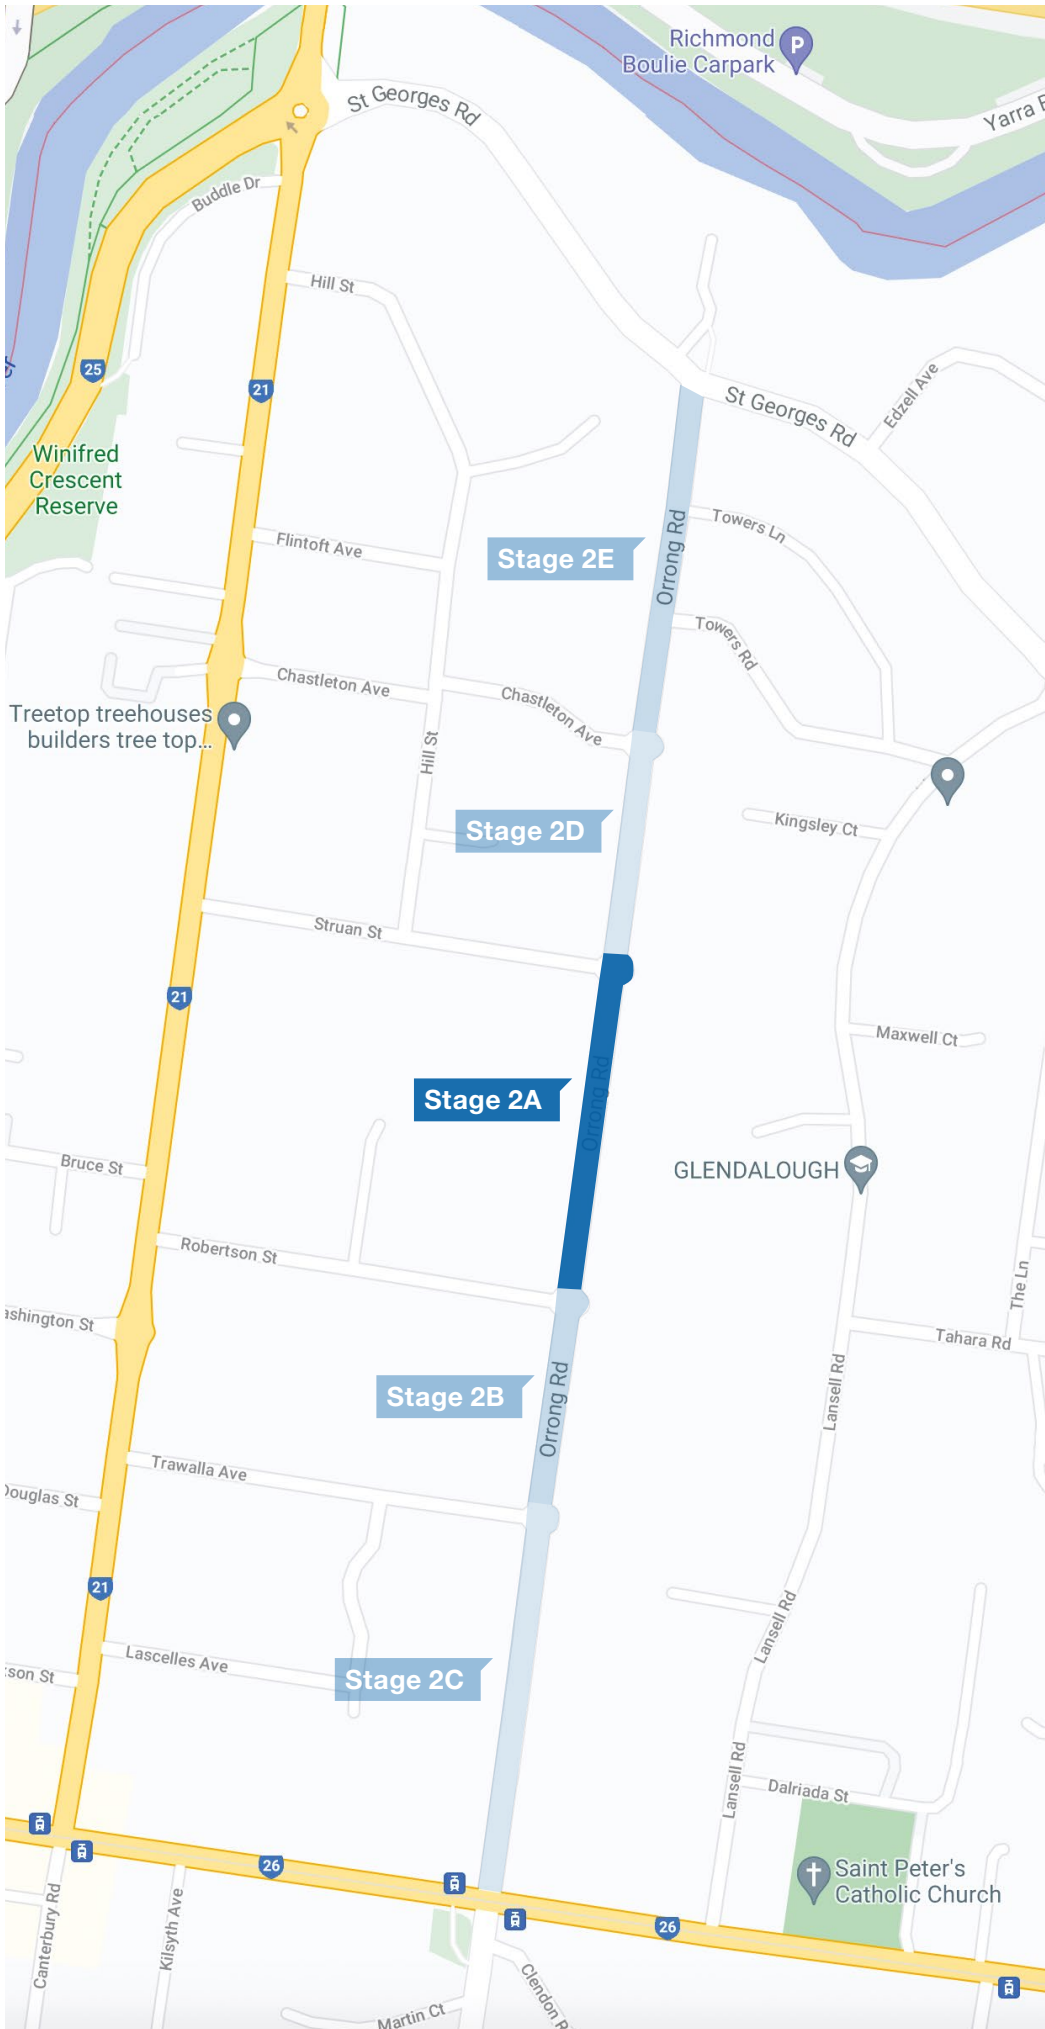

The High Risk COVID-Safe plan ensures all works are completed within strict health and safety protocols – including regular health screenings, social distancing, managing shared spaces, regular communication with residents, the wearing of face masks and strict hygiene protocols.

City of Stonnington supervisors will visit the site regularly to monitor adherence to the above requirements.
