Dear resident

PARK UPGRADE – BROOKVILLE GARDENS, TOORAK

I'm writing to you today to let you know that in early-2023 we will be upgrading Brookville Gardens in Toorak.

These works are the second and final stage of improvements planned for Brookville Gardens and Fairbairn Reserve. We completed stage one works in late-2020 when we built a new shelter, expanded the barbecue area and added more seating and a drinking fountain.

The early-2023 works will deliver:

- more and better park and path lighting
- new park furniture:
 - picnic setting near the barbecue area
 - picnic setting under the shelter
 - seat on the mound
- upgraded paving near the barbecue and on top of the mound.

Please see the reverse side of this letter for an example of the new furniture, paving and lighting we will be installing, or for more on the project visit stonnington.vic.gov.au/Brookville

We will contact you again as the project progresses. In the meantime, if you have any questions please contact David McCarthy at davmccar@stonnington.vic.gov.au or call 8290 1333.

Yours sincerely

Anil Arslan
