Monster Media Release

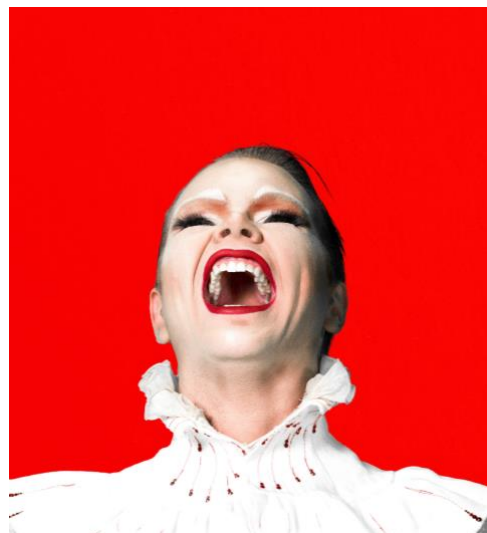

THE DEMON TWINK OF SMITH STREET

He's BAAAAAAAAAAAAACK! Drag cabaret artist. Transgender man. Highschool teacher. Florian Wild is the *MONSTER*! Cash in your cis guilt for the evening and worship at the altar of genderf*ckery!

Green Room Award Nominee, Florian Wild delivers a punchy hour of savage wit and soaring vocals that exposes the monster within us all. This evening's sermon asks the question that's been haunting every naughty catholic schoolgirl: "*Did VeggieTales make me gay?*"

MONSTER is a hilarious ride following the life of a transgender man grappling with society's fear of the unknown. Despite transphobic headlines and Nazis on parliament steps? Florian is hell-bent on living a proud, fabulous, and undeniably human life.

With their very hot and very very sexy three-piece band *THE RED SCARES*, Florian has heard your screams for more! Anthony Albanese, Power Bottoms, Sleep Paralysis, Public Libraries, A Drawer Of Detachable Dicks, The Voice of God. This MegaChurch Has EVERYTHING!

Nominated for Outstanding Writing – Cabaret 2024 Green Room Awards
