Meet the bad Strawberry

Sorry to say he
was really bad. He lived
in fruit land. He went to
see pea and took
his cup of tea. He
saw the ~~two~~ plums and
bit them on the
bum. and they where
really SAD!!! He saw

Pie and punched him in
the eye. He saw spoon
and swang him up to the
moon. He saw Banana and
took his pyjamas. He is
sooo MEAN!!!!. He saw
Pear and messed up his
AMAZING!!!! hair. All
the fruit went to the fruit
"bowl". And came up with

a plan. They decided to ask pineapple for help because she was helpful kind and nice. And the pineapple came and found the Strawberry and quietly tip toed. And then she got the Strawberry and flung him into the compost bin so that he could be put to good use in the soil.
